Changes to Timeline

UTILITYnet may, in its sole discretion, amend any date or time in the RFP, including the Submission Deadline. Any amendment to the Submission Deadline will be communicated to Vendors through the issuance of an addendum. UTILITYnet may choose to waive or extend the Deadline for Vendor Questions and/or the Deadline for Issuing Addenda at any time before the Submission Deadline without prior notice to the Vendors.

Late or incomplete responses

Please note that submissions received after the stated due date and time will be disqualified from consideration. Incomplete submissions will be returned to the vendor for clarification and response; vendors must address these requests within three (3) business days to maintain eligibility in the evaluation process.
